

SEEK Profile

Image not found or type unknown

The career profile to land your next great job.

A SEEK Profile is a professional summary of your work experience, housed on SEEK. A complete profile helps us provide you with a personalised search experience and more relevant job recommendations. Every person with a SEEK account automatically has a SEEK Profile.

[Update Profile](#)

Job recommendations made just for you

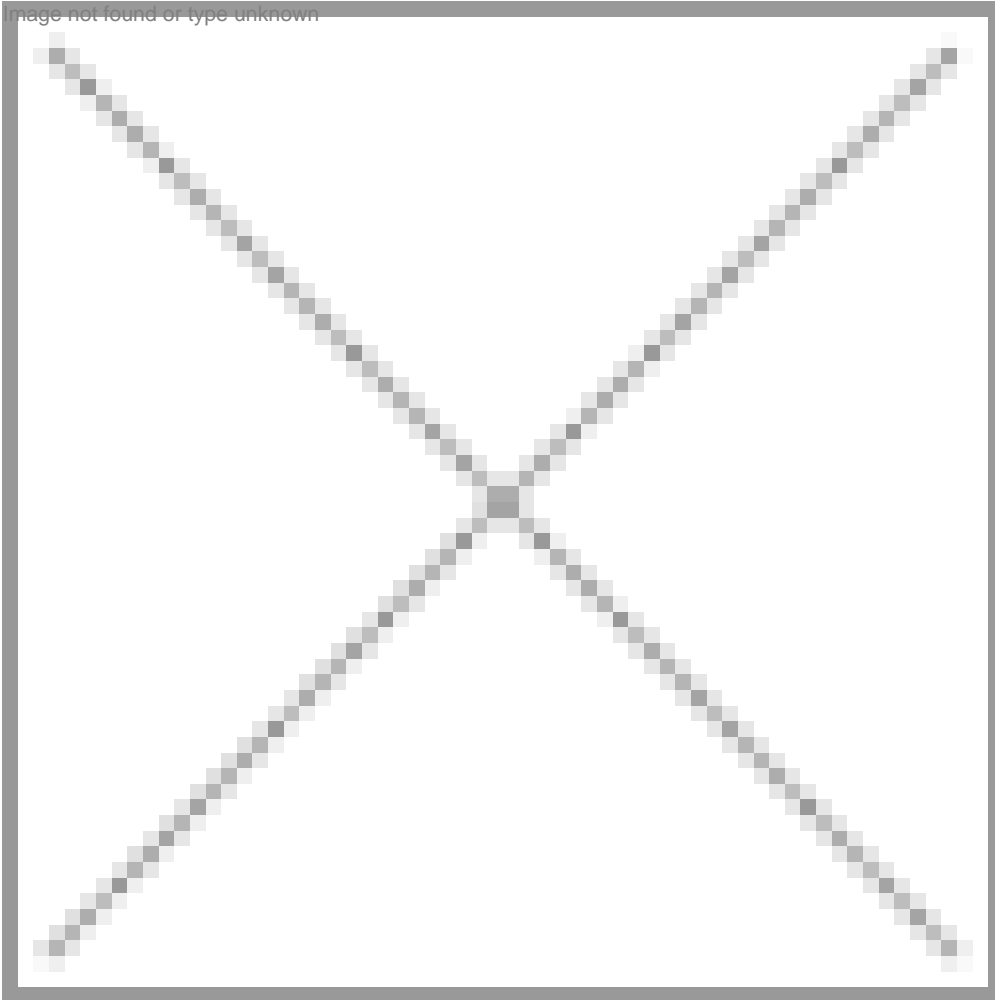

The more information you include in your profile, the easier it is for SEEK to recommend relevant jobs. It's particularly important to tell employers what you're looking for in your next role, including your industry and salary expectations.

New Features

Share your SEEK Profile

Unlock even more value by sharing a summary version of your profile via a live link. Any changes you make to your SEEK Profile will be updated via the shareable link in real time. Anyone with access to the link will be able to view your Shared Profile, however it is not searchable by the general public.
